I was trying to install the Microsoft Hyper-V Server role, but it is failing with the following error: One or more actions failed on the following virtual machine: D:\home\Miyo\Vmware\Windows 2008 R2 Server - Hyper-V\Vmware\VMwareTools\7.4.0.5194\VMwareTools\bin\InstallHyperV.ps1 Operation start time: 11/13/2011 12:25:09 PM Operation completed time: 11/13/2011 12:25:09 PM What's causing the error and is there a solution to it? A: Looks like the install might be corrupted, have you tried repairing? Labels Sunday, June 27, 2011 I always get the dejavu feeling when I visit this restaurant. I have been here maybe a million times, but it's always new. This was our dinner after a day of touring around Bilbao. The image is a bit dark, but the tapas are perfect: I like the "Catí" but my kids are also excited by it because it's got soft chunks of catfish, a very favorite flavor of theirs. Soupe de "Pineas" - a flavorful soup with lots of potato flavor. (Is this pine nuts? It's a bit salty, but the flavor is quite 4bc0debe42
